"Arguing for a contemporary global history that places practices of exclusion based on caste or color at its center, [Dalit Studies] invokes insightful comparisons between Dalit battles and African American campaigns for civil rights."

— **Barbara D. Savage**, University of Pennsylvania

"...provides a series of empirically rich and provocative essays on Dalit history, politics, and religion, mostly on subject matters about which little is known. The introduction is a tour de force..."

— **Douglas E. Haynes**, Dartmouth College

Dalit Studies co-edited by Ramanarayan Rawat & K. Satyanarayana

About CASI

Founded in 1992, the Center for the Advanced Study of India (CASI) at Penn is the first research institution in the U.S. dedicated to the study of contemporary India. The Center's key goals are to nurture a new generation of scholars across disciplines and to provide a forum for dialogue among the academic, business, and foreign policy communities.
